

Environmental requirements for suppliers

1. The Supplier is obliged to comply with all applicable laws and regulations relating to the environment.
2. The supplier should strive to minimize the negative impact on the environment in his business activities at every stage of the product's life.
3. The supplier should strive to reduce the consumption of raw materials and resources, as well as to minimize the waste and pollution generated as part of the business.
4. Materials and products purchased by WIRECO Poland sp. z o.o. from suppliers may not contain any substances or materials prohibited by law or other regulations applicable in the supplier's country, the European Union, as well as in all countries to which the products produced from them are finally delivered.
5. Therefore, suppliers must comply, inter alia, with the European Union regulations on REACH as well as its national/international counterparts.
6. The supplier is obliged to ensure that the means of transport are kept in good technical condition and meet the applicable emission standards.
7. The Supplier is obliged to provide a safety data sheet for chemical substances or mixtures in Polish in accordance with applicable regulations at the stage of the request for quotation.
8. The supplier is obliged to label packaging with chemical substances or mixtures with a label in Polish, in accordance with the applicable regulations.
9. WIRECO Poland sp. z o.o. supports international efforts to end the use of conflict minerals where the proceeds of their sale are used to spread violence and activities contrary to human rights.
10. WIRECO Poland sp. z o.o. suppliers should promote the development and implementation of technologies affecting the reduction of CO₂ emissions and energy consumption and use logistics solutions with the lowest possible impact on the environment.
11. With the above in mind, WIRECO Poland sp. z o. o. also encourages each of the suppliers to implement an environmental management system for compliance with the requirements of ISO 14001:2015.
